Generation

At JALVASUB, we develop containerized power generators that combine one or more PEM fuel cell systems and/or cabinets with solid-state hydrogen or green ammonia storage areas, batteries, and power converters, ...

South Africa's Renewable Energy Independent Power Producer Procurement Program requires new projects over 10 MW to incorporate storage, with containerized systems dominating recent bids due to their compliance ...

What is a Containerized Energy Storage System? A Containerized Energy Storage System (ESS) is a modular, transportable energy solution that integrates lithium battery packs, BMS, PCS, EMS, ...

Originally launched for limited markets in 2021, the 40-ft ...

The deployment of containerized energy storage solutions raises legitimate concerns about safety and environmental impact. Suppliers like CNTE prioritize addressing these concerns by implementing ...

We design and build container generator units, shipping container power units, and modular generator housing that meet the highest standards of safety and performance.

To learn more about our lines of generators, engines and other compliant power solutions, fill out the form below and download our Tier 4 Final product catalog. If you don't see what you need, give us a call.

Power generation, cogeneration or trigeneration, we deliver high-quality containerized plants that are modularly designed to meet your project's unique requirements. Our plants support different electrical outputs, gas ...

Originally launched for limited markets in 2021, the 40-ft containerized generator sets were engineered for easy transportation, simple installation and are stackable, offering up to 34% space utilization ...

That's the reality of container transformation power plant equipment - turnkey energy solutions combining portability with industrial-grade performance. From remote mining sites to urban backup systems, these ...

Would you like more information about our containerized power generation systems for maritime applications? We're happy to assist you and work together to find the optimal solution for your needs.
