

Financing for 40kWh energy storage cabinet for livestock farming

We offer highly competitive finance and lease options on new and used ag equipment. Whether you are looking for a combine or tractor loan, or to finance ...

USDA, through the Farm Service Agency, provides direct and guaranteed loans to beginning farmers and ranchers who are unable to obtain financing from commercial credit sources.

The program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses for renewable energy systems or to make energy efficiency improvements.

How Does It Work?What Is The Matching Requirement?How Can I Apply?Do You Have Questions About Reap Or EQIP?To apply for REAP, you'll need to first do some brainstorming about the specific projects you have in mind. Identify whether you'd like to go for renewable energy or energy efficiency projects. Once you have an idea of your project scope, you'll need to start the application process. We recommend starting the application at least 8 to 12 weeks befo...See more on farmraise .b_ans
