

# How far is the wind and solar complementary communication base station

The FAR, which is codified in Title 48 of the Code of Federal Regulations (C.F.R.), generally governs acquisitions of goods and services by executive branch agencies.

If you're a federal contractor, at some point you will be faced with understanding--and complying with--the Federal Acquisition Regulation (FAR). In this guide, you'll learn the basics of what the FAR ...

The Federal Acquisition Regulation (FAR) is the primary regulation for use by all executive agencies in their acquisition of supplies and services with appropriated funds.

Federal Acquisition Regulation (FAR) The FAR provides uniform acquisition policies and procedures for use by all Executive agencies. An electronic version of the official FAR is available at ...

OFPP and the FAR Council are overhauling the FAR to streamline acquisition, cut red tape, and boost competition by removing non-statutory rules, promoting plain language, and adding buying guides.
