

Koten safety breaker factory in Japan

Who is Koten Enterprises?

KOTEN ENTERPRISES COMPANY INCORPORATED Founded in 1986, Koten Enterprises Company Incorporated has excelled in the Philippine electrical industry for over three decades. Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth.

How did Koten start?

Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth. Over time, Koten expanded into importing, exporting, distributorship, and contractor services, bridging supply chain gaps and providing integrated solutions under one roof.

What is KSB-s safety breaker?

KSB-S Safety Breaker is a MCB or MCCB that is enclosed in a flame-retardant, impact-resistant plastic enclosure. It is used for indoor applications and is applicable for RCBO, plug-in, and bolt-on type circuit breakers. It is also optional with a socket outlet that has a rated current of 50A.

What makes Koten a great company?

Today, Koten represents persistence, innovation, and integrity, staying true to its founding values while setting new benchmarks in the Philippine electrical market. With a clear vision for the future, the company continues to shape industry standards and exceed client expectations.

This product is currently out of stock and unavailable. Koten KSB Safety Breaker with Housing 15amp-60amp interrupt current flow after protective relays detect a fault.
