

Nepal portable power storage company

Nepal builds energy storage power station Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organisation ...

Upgrade your energy independence with our 10KWh LiFePO4 Battery Pack - a high-performance, long-lasting energy storage system designed for residential, commercial, and off-grid applications.

Gham Power, in partnership with Practical Action and Swanbarton, has secured a project from UNIDO to install a 4 MWh energy storage system in Nepal, one of the largest in the country.

Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organisation (UNIDO) to install one of Nepal's ...

From advanced inverter batteries to complete solar and backup power solutions, we are committed to providing energy security that keeps life and work uninterrupted. Each product is built with precision, ...

Team Sinergy Nepal is established in 2021 to become leader in the field of Solar Energy, Power Backup and different range of battery distribution Business. Sales: 954-648-1802

Gham Power together with its partners Practical Action and Swanbarton have officially been awarded a project by United Nations Industrial Development Organization (UNIDO) to install ...

This pioneering project is set to transform industrial energy use by replacing polluting diesel generators with a large-scale battery storage system powered by solar energy.

We carry Concord, Volta, MX Volta and SEC batteries, all of which are ideal for solar homes, remote power needs, industrial and commercial applications, and for use in developing countries like Nepal.

"This transformative project will revolutionize industrial energy use by replacing polluting diesel generators with a large-scale, solar-powered battery storage system," said Gham Power.
